PURPOSES FOR THE CONVENIENCE OF AUTHORS AND  
DELEGATES AT THE CONFERENCE ONLY**

All copyrights for publication of these documents are exclusively transferred by the respective authors to the International Federation for Information Processing, IFIP, and will be published in its series devoted to Information Security.  
Publication is by Elsevier-North Holland Publishers NV. © 1994 IFIP - Elsevier

---

The pages of these documents are NOT numbered. The documents appear in their original format as provided by the authors in order of track/session presentation. A track/session schedule, as well as a list of authors and titles, is included.

---

Some presentations are not included in this hand-out version. This is either by the fact that the respective author was not able to provide in time a reproduceable copy of his/her paper, or the copy provided was not suitable for reproduction. The formal proceedings, published by Elsevier-North Holland Publishers NV will hold the complete presented papers. All authors and delegates will be automatically mailed in due time to obtain one or more copies of the formal printed version of the proceedings.
